Certificate

Ms. Shubhangi Sharad Phapale, born on 04/13/1999, completed a voluntary internship from 09/01/2025 until 11/21/2025 at our plant in Lippstadt in the department Product Safety Evaluation & Observation.

HELLA GmbH & Co. KGaA ("FORVIA HELLA") is a listed, internationally positioned automotive supplier. As a company of the FORVIA Group, FORVIA HELLA stands for high-performance lighting technology and vehicle electronics and, with the Business Group Lifecycle Solutions, also covers a broad service and product portfolio for the spare parts and workshop business as well as for manufacturers of special vehicles. With currently around 35,000 employees at over 125 locations, the company is active worldwide.

Her tasks included:

- She independently developed and coded the Product Safety Risk Graph, a tool that supports the classification of field issues related to product safety and will be used globally by all PSR roles.
- She was responsible for creating and maintaining the department's homepage.
- Research on Retrieval-augmented generation(RAG) and product safety standards

Ms. Phapale has acquired a good level of technical knowledge and skills. Ms. Phapale exhibited a work method characterized by a high level of flexibility, commitment, and sense of responsibility. Her personal behavior towards supervisors and colleagues was always impeccable. She was very motivated and displayed a high level of initiative and commitment.

We would like to thank her for her commitment and successful collaboration and wish her every success in future in both her professional and personal endeavors.

Lippstadt, 11/21/2025
