Certificate

Ms. Shubhangi Phapale, born on 04/13/1999, has completed a Master's Thesis from 11/19/2025 to 04/19/2026 at our plant in Lippstadt in the department Product Safety Evaluation & Observation.

HELLA GmbH & Co. KGaA ("FORVIA HELLA") is a listed, internationally positioned automotive supplier. As a company of the FORVIA Group, FORVIA HELLA stands for high-performance lighting technology and vehicle electronics and, with the Business Group Lifecycle Solutions, also covers a broad service and product portfolio for the spare parts and workshop business as well as for manufacturers of special vehicles. With currently around 35,000 employees at over 125 locations, the company is active worldwide.

Title of the thesis:

"Retrieval-Augmented Generation for Question Answering on Product Safety Standards"

Ms. Phapale has acquired excellent technical knowledge and skills. Ms. Phapale exhibited a work method that was always characterized by a very high level of flexibility, commitment, and sense of responsibility. Her personal behavior towards supervisors and colleagues was always impeccable in every way. She was highly motivated and displayed an extraordinary level of initiative and commitment.

We would like to thank her for her extraordinary commitment and successful collaboration and wish her continued success in future in both her professional and personal endeavors.

Lippstadt, 04/19/2026
